VLED43UHD-2

Concept Pro 43" UHD LED Backlit Monitor

The VLED43UHD-2 is a 4K UHD Professional LED monitor featuring a modern metal case, boasting a contemporary slim design and bottom mounted controls. The VLED43UHD-2 has been specifically designed to operate 24 hours a day for use in security systems. To conserve workspace the monitor can be easily wall mounted using industry standard VESA mounting equipment.
